Report Re: Initial Response

INCIDENT LOCATION: 650 Harrison Ave.

On 05/28/2019, Squad Six Days was notified of full notifications for an unresponsive prisoner found in cell #16 in the Area D-4 Police Station.

This detective responded along with the squad and I observed the victim from the monitor laying face down on his stomach clothed in a red hooded sweatshirt and dark colored jeans. Interviews conducted, scene processed in the usual manner.

While at Headquarters I took a phone call from a man claiming to be the cousin of the victim a Juan Geigel 857-236-0017 who claimed that the victims mother was deceased and the Father was never in his life. That info was found to be untrue seeing that Det. Evans and Autio spoke with ex wife Jannette Gonzalez who informed them that the mother was alive and well living in Puerto Rico and the father lived in New York.
